Igniting Hearts, Unleashing Minds

Dear VCA Families and Supporters,

I trust this note finds you enjoying a summer with your kiddos. Perhaps you are enjoying lots of pool time or you are taking advantages of weekends to get out of the HEAT and go camping. Either way we are excited to welcome you to the 2019-2020 school year here at VCA. I can't wait to find out who wins the CONQUEROR race from our last day video! You can still find the video on our website, or Facebook page, if you missed it.

The office is busy with planning for the coming year. You need to see some of the beautiful classrooms that are being prepared for next year! The new specials rooms will be a great addition and the carpeting is an improvement from our usual. Our new 6th grade room has some really cool furniture and design as well. Hope you can make it on Back to School Night to check it out! (Aug. 12th) As you know, our theme for this year is, "Run the Race" from Hebrews 12. Paul compares our lives to the running of a race. There is so much great spiritual truth in his writings. Strong racing takes training. How can we train to run the race of life? Running a race involves struggle and struggling well. How can we "struggle well" as we live this life? Races involve a reward at the finish. What is our reward for finishing this race well? We will look at all these ideas next year.

As you do your devotional time this summer, I encourage you to read and reread Hebrews 12 and pray over that scripture as it relates to God's plan for us this coming year. I will be praying over you and your family as we prepare for God's blessings of grace and peace to fall over this ministry.

If you have any questions about any of the info enclosed, please don't hesitate to give us a call or stop in.
