## ***HISTORY OF*** **VERDE CHRISTIAN ACADEMY**

Establishing a Christian School in the Verde Valley was born in the minds and hearts of several members of Verde Baptist Church in 1979. After much prayer and consideration, a Christian School Committee was appointed by the Church Board of Deacons, which became the Board of Directors of the School. The Board of Directors began with Dr. Richard Penaluna, Mr. Ken Bailey, Mrs. May Girdner, and Mrs. Judy LeTarte. Dr. Robert Warren, Pastor of Verde Baptist Church, served as an ex-officio member. The purpose of the school, its philosophy, procedures, and the various details of getting a school started began in earnest, and policies were formulated. Registration of students and employment of teachers began in 1980, with the result of nine student applications being received by March. The first school session opened August 25, 1980, utilizing the facilities of Verde Baptist Church. The building of a second floor to the educational plant of the church began the latter part of March in order to house the educational facilities of Verde Valley Christian School. In 2016 the Deacon board of Verde Baptist Church felt that their name needed to fit with their vision for the community. The name was changed from Verde Baptist Church to Verde Community Church. In 2016 the leadership team of Verde Valley Christian School began discussions of a possible name change as well. In 2017 the Leadership Team of Verde Valley Christian School and the Deacon Board of Verde Community Church agreed upon the name Verde Christian Academy, feeling the word Academy better describe the level of education that students were receiving. Now, over thirty years since the founding of VCA, many children and grandchildren of previous families still trust Verde Christian Academy for the primary education of their children. Today, VCA is a thriving preschool through 8<sup>th</sup> grade school.

## CODE OF CONDUCT

VCA is a private religious, non-profit Christian School representing Jesus Christ throughout the evangelical Christian community with all Biblical standards of moral conduct. All those who voluntarily associate with VCA are deemed to submit to the Code of Conduct and the scriptural authority on which it is based. Any matters regarding the Code of Conduct, including scriptural disputes, shall be resolved according to the Holy Scriptures and the Statement of Faith as interpreted and administered by the VCA Leadership, in its sole and absolute discretion.

VCA Community Members:

All students, parents, faculty, staff, and leadership members, and volunteers.

VCA here by expects and requires all VCA Community Members to maintain a lifestyle based on Biblical standards of moral conduct. All are admonished to live a life led by the Spirit of God according to His Word bearing the fruits of the spirit which are love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, and self-control (Galatians 5:22).

**Moral Misconduct:** Moral misconduct is defined as violating Biblical standards of moral behavior. Such violations include, but are not limited to, promiscuity or homosexual behavior or any other violation of the unique roles of male and female in human sexual relations, adultery, impurity, idolatry, witchcraft, sorcery, enmities, strife, jealousy, outbursts of anger, envying, drunkenness, carousing, and things like these (Romans 1:21-27, 1 Cor 6:9-20, Gal 5:19-21). VCA believes that Biblical marriage is limited to a covenant relationship between a man and a woman, whose gender was determined at birth. It is the goal and desire of VCA that all VCA Community Members would have a lifestyle in which God "might have preeminence" (Col 1:18, KJV)

All VCA functions and services are private meetings held on private property according to the policies and procedures followed by VCA and should not be considered open to the public under all circumstances. The VCA leadership reserves the right to remove any participant for any reason in the leadership's sole discretion. A VCA Community Member may be dismissed/removed from any VCA function or asked not to return in he/she demonstrates by conduct or spirit that he/she is out of harmony with the Statement of Faith, the spirit, or the policies of VCA, whether on or off property as determined by the sole

discretion of the VCA leadership. Readmission considerations following dismissal/removal will be determined on case-by-case basis.

### **Parental Support**

Parental support is an essential part of the educational process. If, in the sole discretion of the VCA leadership, a parent (whether they be a VCA Community Member or not) has failed to support the administration or staff or the standards articulated in the Statement of Faith, the VCA leadership reserves the right to deny the student continued enrollment in the school.

Failure to maintain a lifestyle based on Biblical standards of conduct as stated in the Code of Conduct, the Statement of Faith, and throughout the school's policies and procedures may serve as grounds for dismissal of any VCA Community Member and/or student(s).

## CULTURAL VALUES

**Our Cultural Values-** In areas of today's cultural issues, we believe the Bible teaches the following:

**Gender Identity-** In the beginning, God made humanity male and female, and, in his creative purposes, biological (bodily) sex determines gender. (Genesis 1:27-28) Human nature was damaged and distorted by the Fall but not destroyed. All people continue to be made in the image of God. The experience of incongruence between objective biological sex and subjective gender identity is one consequence of that damage and distortion but in no way diminishes a person's full humanity.

**Marriage and Sexuality-** We believe God created Adam and Eve as man and woman (Genesis 1:27-28), that the institution of marriage is a sacred covenant by God, and that the family is the foundational institution for human society. Marriage is exclusively the union of one man and one woman and sexual activity occurs exclusively within this union. (Genesis; 2:15-24; Leviticus 18:22; Romans 1:26-27; 1 Corinthians 7:14).

**Race-** We believe that all humanity is only one race (Acts 17:26). We are called to love and serve everyone unconditionally and to treat others as more important than ourselves (Philippians 2:3-8). We believe Christian brothers and sisters are equal before God and united in Christ (Galatians 3:26-28). We trust Biblical teaching over earthly institutions and societal movements.

**Politics-** Although we encourage political engagement that will promote godly values, we do not actively promote a specific political party or structure. Instead, we emphasize Biblical teaching to submit to governing authorities (Mark 12:17, Romans 13:1-14).

## EDUCATIONAL VIEWPOINT (PHILOSOPHY)

**GOD AND EDUCATION;** We believe that the Word of God is the foundation for all Christian education, and that the Scriptures are the foundation source of all knowledge. The true aim is to give glory to God.

**2 Timothy 3:16,17; 1 Corinthians 10:31.**

**MAN AND CREATION:** God made all creation good in six days and rested on the seventh (**Genesis 1**). He made man to have dominion over His creation,

and holds him responsible for it. He must love it, sustain it, and use it for the glory of God.

**GOD AND MAN:** God is the one in whose image and after whose likeness man is made. Man's life must begin and end with being true to the image of God. Man, being created in the image of God, must pursue God's will, and must love God.

**A WORLD OF SIN:** Because of Adam's son, man is fallen by nature and lives apart from God. For the image bearer of God to live apart from God is death; man is "dead in trespasses and sins" (*Ephesians 2:1*). Through the fall of man, creation is "groaning" under the curse of sin (*Romans 8:22*).

**BELIEVERS IN A SINFUL WORLD:** Whoever is in Christ is a "new creature" (*2 Corinthians 5:15*) with a new nature. But the pollution of sin still clings to him as he travels the road of sanctification throughout life. In principle, the old things have passed away; in practice, they have not completely. This creates the necessity of Christian Discipleship and training.

**THE HOME, THE SCHOOL, AND EDUCATION:** God's Word gives Christian parents the responsibility to educate their children in the knowledge of God as Creator, Lord, and Savior and that the proper response to Him is repentance, faith, worship, and love. Parents are to teach their children to be servants of the Lord, stewards of His creation, and to love God with all their heart, soul, mind and strength; and their neighbor as themselves. The Christian school is an extension of the Christian home to help accomplish those goals in the heart of a child. Full cooperation and support between the school and the home is required for successful Christian education of the child.

**THE CHRISTIAN SCHOOL:** Is dedicated to educating each child in a positive Christian way. The school recognizes:

1. The Bible is the inspired Word of God, the light which must permeate all subject matters and methods of instruction.
2. That man's highest goal is to glorify God.
3. That man's responsibility to man is derived from his responsibility to God.
4. That children must be taught obedience to Divine authority and divinely constituted authority of the home, school, church, and state.
5. That living faith in Christ is necessary for salvation and true happiness.
6. That the universe is to be studied as God's divine design.

7. That history is to be studied as God's handiwork and interactions with His creation throughout time.

## **STATEMENT OF FAITH**

### **WE BELIEVE...**

1. That the Bible is the complete, inspired Word of God, that it is of infallible, and without error in its original writings, and should be used to direct our daily lives. **2 Timothy 3:16-17; 2 Peter 1:20-21**
2. in one God, eternally existing in three persons: God the Father, God the Son, and God the Holy Spirit. Identical in nature, equal in power, possessing the same attributes. However, each relates to mankind in a different way: God is the Father, the Son is the incarnate God and Savior, and the Holy Spirit dwells within believers and teaches believers. **Matthew 28:19; John 1:1-14**
3. that humans were created in the image of God, that human sin brought upon mankind brought upon mankind physical and spiritual death. **Ephesians 2:1-3**
4. that Jesus Christ was conceived by the Holy Spirit, born of the Virgin Mary, lived a sinless life, and is true God and true man. He is head of the Church and is the only Mediator between God and man. **Matthew 1:18-25, 1 Timothy 2:5**
5. that the Lord Jesus Christ came to seek and to save we who were lost by dying in our place on the cross. **Luke 19:10; 1 Peter 2:22,24**
6. that the Lord Jesus Christ rose on the third day after His crucifixion, ascended bodily into the heavens and is now at the right hand of God. **1 Corinthians 15:3-4; Romans 8:34**
7. that all who receive the Lord Jesus Christ by faith are born again of the Holy Spirit and experience the forgiveness of their sins through the cleansing power of the blood of Christ and thereby become children of God. **John 1:12; John 14:16; 1 John 1:7-9**
8. the institution of marriage is a sacred covenant by God and is the foundational institution for human society. Marriage is exclusively the union of one man and one woman and sexual activity occurs exclusively within this union. **Genesis 1:27-28; 2:15-24; Leviticus 18:22; Romans 1:26-27; 1 Corinthians 7:14**
9. that all Christians are sealed by the Holy Spirit unto the day of redemption, thus assuring the believer that his eternal salvation can never be lost. **Ephesians 1:13-14; Hebrews 7:25**

## **ADMINISTRATION**

The Verde Christian Academy is governed by a School Leadership Team (S.L.T.) approved by the Verde Community Church Board of Deacons. The V.C.A. School Leadership Team consists of five members who serve three year rotating terms. Four members are from Verde Community Church ( two of which must be from the Verde Community Church Deacon Board). The fifth member may be from other Bible-believing churches in the community or also from Verde Community Church. Officers include a Chairman, Vice-Chairman and a Recording Secretary. The Chairman and Vice-Chairman must be members of Verde Community Church. The Senior Pastor of Verde Community Church and the Administrator of Verde Christian School are ex-officio members of the S.L.T. The S.L.T.'s main function is to develop and supervise the policies of the school. Any parent may request a list of the members of the Verde Christian Academy School Leadership Team.

The Senior Pastor of Verde Community Church is the Chief Executive Officer and is over all ministries of Verde Community Church. The School Administrator reports to the Senior Pastor and is responsible for the daily operation of the school and the supervision of all faculty and staff members. The Administrator recruits and evaluates student applicants and is responsible for the enrollment of the School. The Administrator works cooperatively with the faculty and staff to carry out the mandates of the S.L.T. to ensure that Verde Christian Academy operates to provide a quality education that is distinctly and dynamically Christian.

## **ASSOCIATION OF CHRISTIAN SCHOOLS INTERNATIONAL**

Verde Christian Academy is an active member of the Association of Christian Schools International. ACSI is a strong national and international organization of Christian schools, established in 1978, with over 23,000 Christian schools in membership representing more than 5.5 million students in 100 countries.

Its purpose is to provide guidance and training to member schools. Its research enables these schools to maintain quality educational standards grounded in a Biblical World View. The Association of Christian School International provides numerous services to member schools, such as:

1. Curriculum Materials
2. Standardized Tests
3. Teacher Certification
4. School Accreditation
5. Consultation Services
6. Educational Publications
7. Christian Education Journals
8. Insurance for School Personnel and Students
9. Seminars for Administrators and Board Members
10. Regional & National Christian Education Conferences

## ENROLLMENT PROCEDURES

1. Parents must agree to support the school's mission and core values.
2. Parents must allow the child to be educated by the school according to the educational philosophy outlined in our Mission Statement, Statement of Faith, and Core Values. **(Please see pages 5-10)** A child entering for the first time may be academically evaluated before enrolling. A child transferring from another school shall also provide school records from all previous schools. A child transferring from home school shall provide home school records.

***\*\*Verde Christian Academy is not equipped to handle students with severe academic, social, or behavioral struggles. A major criterion for entrance into a Christian school is that the student be academically capable to deal with the curriculum and to work acceptably with others.***

**PRESCHOOL/KINDERGARTEN/1ST GRADE AGE REQUIREMENTS -** Pre-3, Pre-4 and Kindergarten students must be three, four, and five years old (respectively) by September 1, and first grade students must be six years old by September 1. Rare exceptions may be made after following a rigorous process. Preschool three's class has to have students be three years old before coming to school, because licensing for the state does not allow anyone under three year old.

**ENTRANCE TESTS -** Screening tests may be given, or child may be evaluated, when it is necessary to determine academic achievement and placement.

### **STANDARDIZED TESTS -**

Standardized Testing (both State and National) will be administered to grades 1st– 8th and will be used by VCA as best practice in analyzing academic proficiency.

**TRANSFER STUDENTS -** The school will not accept transferred students in grades where their accomplishments, according to school records, are not up to acceptable standards. This will be determined by an examination of entrance test results, transferred grades, and previous work habits.

## ENROLLMENT PROCESS

All families desiring to enroll at VCA must successfully complete all parts of the Enrollment Process.

**STEP 1** - Fill out the necessary applications and provide vital records: Birth Certificate, Immunization Record, Enrollment App., Scholarship App., Enrollment Agreement and Records request.

**STEP 2** - Family tour & interview with the School Administrator. During the family interview the Administrator will inquire to ensure the family is in agreement with the school's Mission Statement, Statement of Faith, and Core Values. Additionally, the Administrator will evaluate the student's attitude, demeanor, and educational ability and answer any questions the family may have. Following the family interview the Administrator will take the family on a school tour.

**STEP 3** - When the family has been notified of enrollment, they will meet with the Administrative Assistant to finalize the enrollment process. The Administrative Assistant will also ensure that registration/supply fees are paid at the time of enrollment.

## **VCA CLASS EXPANSION PROCEDURE**

### **WAITLIST PROCEDURE**

At VCA we often have more qualified students than we do space. In order to continue to provide the highest level of education academically and spiritually, we consider many factors when determining the enrollment of a prospective student. As we do not only consider application date we do not communicate specific waitlist positions. It is important to note that we are a mission-based school and as such faith in Christ is not a pre-requisite for acceptance at VCA.

When enrolling new students we will consider many factors including:

- Sibling Enrollment Status
- Family Interviews
- Testimonial provided with Application
- Student/Family Interest in Attending VCA
- Academic History
- Application Date/Completeness
- VCA Faculty/Staff Status
- Placement Testing
- Classroom Space
- Student Conduct and Attendance History
- Church/Community Involvement

Pre-qualified students who remain on the waitlist after school starts in August may have an opportunity to enroll during the school year should an opening occur provided that their child is the most qualified candidate at the time. Waitlist students are carried over to the following school year if the parent confirms their desire to keep their child on the waitlist. After the re-enrollment of current students concludes in January/February, new student acceptance letters will be mailed in March/April. Throughout the summer individuals may receive acceptance letters as individual openings emerge.

### **RE-ENROLLMENT PROCEDURES**

Re-enrollment packets will be sent home with specific due dates for students attending VCA, as well as sibling and open enrollment.

Re-enrollment and New enrollment schedule:

|                     |                          |
|---------------------|--------------------------|
| Re-enrollment       | Last 2 weeks of January  |
| Siblings Enrollment | 1st 2 weeks of February  |
| Open Enrollment     | Last 2 weeks of February |

### **WITHDRAWAL PROCEDURES**

A student withdrawing from VCA needs to have a withdrawal form signed by a Parent/Legal Guardian before, or on, the last day student attended VCA . A copy is then given to the Parent/Legal Guardian and one is put into the students file.

**Note:** Tuition will still be charged until withdrawal is signed.

## **GENERAL GUIDELINES AND PROCEDURES**

### **ABSENCE/TARDY POLICY**

#### **PURPOSE:**

Student school attendance is one of the greatest indicators of academic success. As such it is extremely important that school attendance is a high priority.

Tardiness causes classroom disruption as lessons and learning come to a halt when a tardy student enters the room and begins to prepare for the day after others are quietly in seats.

According to the state of Arizona, "15-803. School attendance; exemptions; definitions Absences may be considered excessive when the number of

absent days exceeds ten percent of the number of required attendance days prescribed in section 15-802, subsection B, paragraph 1."

As such five days per quarter or twenty days in a year is considered excessive absence.

**\*\*Preschool attendance is not considered in this policy. Preschool grants have attendance stipulations, however VCA doesn't require below attendance standards in preschool.**

#### **VCA PLAN:**

Each quarter absences will be reviewed by the Administration. The following steps will be taken to ensure faithful school attendance for the benefit of each child.

#### **ABSENCES:**

- 7- (In Quarter 1 or 2) Written Contact From Classroom (Email, note, documentation)
- 10- Referral to Administration- Written Contact From School
- 15- Meeting With Administration (probationary status) Dr Note needed for any further absences
- 20- Meeting With Administration (possible withdrawal of student)

#### **TARDIES:**

- 9- (in Quarter 1 or 2) Verbal Contact From Classroom
- 13- Referral to Administration- possible probationary status
- 20- Meeting With Administration (possible withdrawal of student)

\*For the purposes of perfect attendance 5 tardies will equal one absence

#### **ATTENDANCE REQUIREMENTS**

Punctual and regular attendance at school is a shared responsibility of the student and his/her parent or guardian. Regular attendance prepares the student for the world of work and adult responsibilities. Verde Christian Academy expects all students to be present and on time. Students are expected to bring appropriate materials with them. Number of days the school will meet is in keeping with the laws of the State of Arizona. Students are expected to attend and complete all requirements for every course offered. Attendance records are kept by the office and reported on the student's report card each quarter.

1. **UNPLANNED ABSENCES:** If a student needs to be absent from school for 1 to 2 days, for any reason, parents should contact the school office by note or phone as soon as possible.
2. **PLANNED ABSENCES:** If a student needs to be absent for 3 or more consecutive days, the parents should notify the school in writing explaining the circumstances. This will permit the office to inform the appropriate teacher(s) to compile necessary schoolwork that would be otherwise missed. Parents should make arrangements pick up any work from the teacher or the office.
3. **EXTENDED ABSENCES:** We will gladly cooperate with families taking their children from school for vacations, trips, etc. However, when extended absences are voluntary (versus emergency or illness) all school work needs to be completed. Prior to any planned extended absence, the student(s) should work ahead as much as possible. This eliminates both the need to work on vacation or doing a significant amount of make-up work.
4. **MAXIMUM ABSENCES:** In the event the total number of planned (that is, parent-approved) absences for one quarter is equal to or exceeds five days in one quarter or ten days for the semester, the student may not receive credit for that time period. In the event a student is absent from a class or from school, for more than ten days during one quarter (for any reason), the student's parents will meet with the Administrator (and teacher if necessary) to determine whether the student will receive a letter grade, or a grade of P (pass) or F (fail), on his report card. In the event the total number of absences, whether planned or unplanned, is equal to or exceeds fifteen days in one semester, the student may not receive credit for that semester.
5. **ILLNESS:** If a student becomes ill during the school day, the student will notify the teacher. The teacher will determine if a visit to the office is appropriate. Office staff will determine whether parent contact and/or parent pick-up is needed.
6. **ATTENDANCE IRREGULARITIES:** The parent must send a signed permission slip or call the school office if for any reason a child is to:
  - Leave the campus during the day
  - Be picked up by someone other than the authorized person(s). A 3, 4, or 5-year-old child left at school after 11:45 a.m. will be put in After Academy and the family will be billed.
7. **ARRIVAL AND DEPARTURE TIMES:** Students should arrive at school shortly before classes begin. No students should arrive before 7:30 a.m. as there is not enough staff on campus to supervise. Students will report to teacher on duty at the play area starting at 7:30 a.m. until 8:00 a.m. when they are dismissed to their classes.

- Any child who is not picked up by 3:15 p.m. will be sent to the school office and contact with parents, guardians, and/or emergency contacts will be attempted.
- Any student not picked up by 3:30 p.m. will be charged a \$25 late pick up fee.

#### **CLOSED CAMPUS POLICY**

Verde Christian Academy has a closed campus policy which covers the entire student body. This means students are expected to remain on campus from the opening of a school day until their class activities are concluded for the day. If it is necessary for a student to leave school during the school day, parents are to notify the office via note or phone call including the time and reason. Students must be signed out and picked up at the school office. If the student is to return to school on the same day, he/she is to be returned to the school office signed back in by the parent.

On rainy days or cold days, students will go to the gymnasium. Students may not come onto campus before 7:30 a.m. as there is no supervision available at that time. Students should be picked up promptly at dismissal time.

### **BEHAVIOR**

Students are expected to abide by the following rules, policies, and standards. A Christian lifestyle cannot simply be confined to the school day. Standards of conduct are expected to be upheld on and off campus. Please read the following carefully.

Attendance at VCA is a privilege, not a right, and each student is expected to behave in an orderly and respectful manner, maintaining Christian standards in courtesy, language, morality, modesty, and honest. The following general rules must be adhered to at all times:

1. Prompt and respectful obedience to all school personnel, staff members and guests, addressing them as Mr., Mrs., Miss, or Pastor.
2. Students are not to be in unauthorized areas unless accompanied by a teacher or with special permission.
3. Students are expected to arrive on time in class and to be prepared with books, assignments, pencils, pens, and other material necessary for daily class work.
4. Students should listen attentively to teachers, and other students as appropriate.

5. Students are not to damage or deface any school, or other's, personal property. Parents will assume financial liability for any and all damages incurred at school or at school functions.
6. Every student is required to behave in an orderly and Christ-like manner, showing respect and courtesy to fellow students. Students are not allowed to violate another person either verbally, physically. Bullying is not allowed in the classroom or on the playground.
7. Restrooms should be used with respect and not as a place to linger.
8. We strongly encourage parents to send nutritious food and drinks for their student's lunches. Numerous studies have shown poor diet may cause disruptive behavior and affect the learning environment.
9. Students should be appropriately dressed at all times. Please refer to the dress code in this handbook.
10. Possession of any weapons or dangerous objects on campus will result in disciplinary action (such as: firearms, ammunition, lighters, firecrackers, knives, etc.).
11. Use of cellular phones and all other electronic devices are not allowed while on campus during the hours of 7:30-3:00 without permission.
12. No toys, including playing cards and trading cards, are allowed to be brought to school without permission.
13. Each person should do his/her best to help keep the campus clean by placing trash in the proper receptacle, as well as recycling in the proper receptacle. This is required for maintaining the beauty and cleanliness of the campus.
14. Honor Code: Students are encouraged to show honor to God and to show integrity by never allowing theft, cheating, gossip, or other wrong behavior to occur, first in their own lives, and second, by those persons around them. Students are exhorted to follow **Matthew 18** in all interpersonal problem areas, humbly submit to God, and one another in love, and voluntarily seek counsel from others in leadership if they have those problems.
15. Discipline is first the responsibility of the home. The school will communicate and work closely with the parents to administer consistent discipline. Love, compassion, long-suffering, justice, instruction, and further training are necessary elements of any discipline administered (**Ephesians 6:4**). "Train up a child in the way he should go and when he is old, he will not depart from it." (**Proverbs 22:6**)
16. Discipline will be handled by the classroom teacher. Severe or repetitive discipline will be referred to the Administrator. Discipline will reflect Biblical principles, the school's philosophy, age of the child, the circumstances of the problem, and the social emotional needs of the child. Discipline occurs after complete investigation by the teacher and Administrator.

17. Prolonged, repeated occurrences of inappropriate behaviors will necessitate a parent, child, teacher, and Administrator conference to establish proper interventions and consequences.
18. Discipline Penalties shall involve the following penalties. They may be imposed either alone, or in combination, at the discretion of the teacher and/or Administrator.
  - Verbal warning
  - Written warning to parents
  - Detention during or after class
  - Suspension from activities and written assignments
  - In-school suspension
  - Suspension
  - Expulsion

#### **SUSPENSION**

The Administrator is the only staff member who can suspend a student. Suspension will occur when the physical safety of the student, other students, or school is in question. Suspension will be a last resort or emergency effort to correct severe or repetitious, harmful behavior. Suspension is an opportunity to provide counseling to encourage correction and growth.

#### **EXPULSION**

The Administrator can recommend to the S.L.T. permanent removal of a student. The S.L.T. will have the final decision on the Administrator's recommendation.

### **ATHLETICS**

#### **HOME SCHOOL STUDENT SPORTS PARTICIPATION**

Verde Christian Academy follows the philosophy outlined in ARS 15-802.01, which states that homeschooled students can participate in extracurricular activities. The following stipulations must be met for a student to participate:

- Homeschool students may participate when there are open spots on the team.
- The determination of spots will be on a year-to-year basis, determined by the participation of VCA students.
- Homeschool students must have a sports physical that is current for the

academic school year on file with the front office

- Homeschool families will be required to pay \$50 per athlete/per sport
- Both the student and parents will adhere to our VCA athletic code

**To God Almighty: I will seek to honor the Lord in all that I think, say, and do (Deut. 26:17). I will submit myself to the authority of His grace and His commands (2 Tim. 3:16-17). I will recognize that my appearance and behavior reflect on Him as much as on me (1 Cor. 10:31)**

***\*\*The final decision regarding the eligibility of each student will be made by VCA Administration\*\****

## **SPECIALS**

### **ART**

Art instruction is provided for each student. Art is basic for the child's creativity and development, enriching and benefiting a child through adulthood.

### **COMPUTERS**

A student shall have no "F's" or "D's" and maintain a 2.5 G.P.A. or higher to participate. Any student failing to achieve or maintain the above academic standards shall be ineligible until the next official grading check. Students who fail to meet the above academic standards can practice at sporting events but cannot play in competitive events. They can attend meetings but cannot participate in voting or decisions. The Administrator, Coach, Advisor, or Leader reserves the right to select team or group members' positions, meeting times, and locations, plus eligibility to participate based upon Christian character and conduct.

## **PARENT CONFERENCES AND PROGRESS REPORTS**

Conferences with parents on progress of the students will be scheduled during the first grading period, as well as at other times as deemed necessary by the parent, teacher or Administrator. Verde Christian Academy considers itself an extension of the home.

Our objectives of producing spiritually-minded and academically-motivated students require that the school complement the home. This is best accomplished through good communication and consistency.

Home and school must communicate to understand the needs and concerns of each other. This will allow consistency in dealing with the student. It will also help the school and home complement one another spiritually, academically, and in the most important area of discipline. We encourage parents to visit with the teachers and Administrator as often as necessary.

## **HONOR ROLL**

At the end of each school semester, Honor Awards will be given for scholarship, faithful attendance, Christian growth, and citizenship.

# **HEALTH**

Effective January 1, 1992, ***all Arizona schools require verifiable documentation of immunization*** before a student can attend classes. The documentation must show the date and type of each dose administered OR verified laboratory evidence of immunity. ## **COMMUNICABLE DISEASES**

A student suffering from a communicable disease shall be excluded from school for his/her own welfare and also to protect others. Early recognition of a communicable disease is of *prime importance*. ***The child should not return***

***to school until he/she is no longer contagious as verified by a doctor.***

Parents are required by State law to provide a history of the communicable diseases for each student. Records will be kept by the school. If a child has a communicable disease, the school office must be notified so records can be updated. Parents are to make certain all health records are current each year the student is re-enrolled.

Policies regarding the Human Immunodeficiency Virus (HIV), related diseases, and other diseases for which there is no cure, are based largely on the guidelines and recommendations published by the Center of Disease Control. The S.L.T. has adopted policy guidelines that will be followed in any such cases.

#### **ILLNESS**

Please inform the school office (928) 634-8113 before 8:00 a.m. if your child will be absent. Temperatures of 99.5 or higher is an indication your child is running a fever and is contagious to other students. ***Once the fever is broken the child is to remain home 24 hours to ensure the fever is gone.*** If your child becomes ill during the school day, you will be notified so arrangements can be made to take the child home.

#### **CONTAGIOUS ILLNESS**

Parents will be notified by email and a posting outside the classroom, should a contagious illness occur. (Strep, Chicken pox, etc.)

#### **LICE**

Lice checks will take place in a designated room with little foot traffic. Students will be checked two at a time. If lice is found on a student that student will be discreetly sent to the office. Parents will be notified and asked to pick up and treat their child.

Child may return after 24 hours with proof of treatment, and absence of live adult lice bugs.

All VCA parents will be notified of a lice incident (keeping the names & grades of infected students confidential). Parents will be encouraged to check their children for lice, and use preventative measures.

#### **MEDICATION**

If a child needs medication during school hours, the medicine must be left by the parents at the school office in the original pharmacy bottle containing the instructions for administering. ***Medications are not to be left with the student or teacher to administer.*** After school all prescription medication must be picked up by the child's parents in the school office.

Over-the-counter medications, such as Tylenol, Aspirin, Motrin, etc. may only be given by office personal or Administrator when there is a consent

form in the student's file signed by the parent or guardian. School office personnel will call parents/guardians before administering over the counter medications (even if there is a consent form on file.) No over the counter medications will be administered to preschool students by school personnel (including cough drops, and ointments.) If a preschool student is in need of medication, parents will be contacted to come to the school and administer medication.

### **ACCIDENTS AT SCHOOL**

In case of injury, the parents will be contacted immediately if possible. If parents cannot be reached, or there is a life-threatening emergency, the school office will call 911, and then notify the parents or guardians.

### **CHILD ABUSE**

In accordance with State law and school policy, school staff are obligated under penalty of fine and jail term to report the reasonable suspicion of physical abuse, sexual abuse, or child neglect.

## **DRESS CODE**

Outward appearance is a reflection of inward intent and thought. Through our clothing and hair styles, we represent ourselves. Students are expected to dress and groom conservatively and appropriately for school and school activities.

To promote a standard of dress consistent with the school's goals for conduct and academic excellence, Verde Christian Academy students follow the guidelines below. Dress at Verde Christian Academy should bring honor to God, classmates, and VCA's mission, values, and standards. Each person's dress must comply with the Dress Code and be of such a nature that it is not disruptive to the educational atmosphere. Dress and appearance are reflective of attitude in students.

We desire to partner with families for the best outcomes for your children. We ask for your assistance in ensuring that students first pass your approval before coming to school, please notice what your child is wearing to school. If you aren't sure if it's appropriate err on the side of caution, don't wear it. We believe that rules alone cannot guarantee good dress choices and therefore expect the spirit, as well as the specific Dress Code, to govern each student's manner of dress.

VCA reserves the right to ask students to change their clothing if the clothing is considered inappropriate.

\*\*Field Trip attire will be determined by individual teachers and will be communicated to parents.

We encourage all conflicts to be resolved using Matthew 18:15-16 as our guideline. Here are three steps that need to be followed in a prayerful and loving manner.

1. The parent needs to address the problem with the school employee(s) involved.
2. If the problem is not resolved in a timely manner, then the parent needs to make an appointment with the Administrator to work out the problem. This step also involves the Administrator meeting with both parties together to possibly reach consensus on a solution to the problem.
3. If the parent feels that the problem is not properly resolved, then the parent may write a letter explaining the problem and give to administration to be shared with VCA School Leadership Team (S.L.T.) Chairperson.

## **FINANCES**

### **REGISTRATION AND FEES**

A registration fee is to accompany each new application for enrollment. This fee covers the interview, entrance testing, when necessary, and processing costs.

The fee is payable once at registration and is non-refundable. Books and classroom supplies are included in the tuition for Kindergarten - Sixth Grade.

Book / Supply fees are charged for Pre-3, Pre-4 and After Academy. Tuition may be paid in ten monthly payments starting August 1 and continuing on the first of each month through May 1. Receipts for all monies received will be given.

#### **DELINQUENT PAYMENTS**

## **ARIZONA TAX CREDIT PROGRAMS**

Any resident of Arizona may make a donation to the **Northern Arizona Christian School Scholarship Fund** (brochures in office) and receive a dollar for dollar tax credit on their Arizona tax return. Out-of-state donations can be used as part of their Federal Itemized Deductions. Each family is encouraged to enlist relatives, friends, co-workers etc. to make a tax credit donation to the above organization with a recommendation that the money be given to Verde Christian Academy as a scholarship. We have many families who are able to pay all the tuition for their children in grades Kindergarten to 5th grade by utilizing this program. Individuals or couples cannot recommend that the tax credit donation be applied as a scholarship to their own child. Grandparent, aunts, uncles, and other relatives can make that recommendation. While families can recommend a student/family, (not their own dependent), it cannot be guaranteed that that student/family will receive the funds. NACSSF does their best to honor donor recommendations. Donations made are awarded at the beginning of each school year. (ie: donations made in 2020 will be disbursed August 2021)

#### **TAX CREDIT WORKSHOPS**

Tax credit workshops are available each month, on the 1st Tuesday of the month, for families to come and learn about the tax credit program. Families that have not received at least \$1500 in recommended tax monies will be notified and are required to attend one of these workshops.

Applications for Northern Arizona Christian School Scholarship (NACSSF) can be obtained in the VCA office and also on VCA web-site [www.myvcacademy.com](http://www.myvcacademy.com). All other STO apps. can also be completed on their respective web-site. A list of those STO's can be picked up in the school office. For corporate donors there is a tax credit workshop offered each year. Please contact the front office to find out when the next one is.

## **FIELD TRIPS**

Field trips are a very important part of the educational experience at VCA. Through field trips our students experience curriculum in a real and engaging way. In order to provide a safe and fun field trip, teachers focus on safe transport and safe experiences during the visit. The following guidelines will ensure that VCA students can experience field trips safely while having fun.

### **BEHAVIOR**

Field trips are an opportunity for VCA students to shine and bring glory to God. As such behavior on field trips is an extremely important facet. Students who have behavior struggles may not be allowed to participate in field trips without special accommodations. Students may lose field trip privileges based on behavior in class or on field trips. In addition, students must be in good academic standing to participate in field trips.

### **CHAPERONES**

1. Safety must always be an overriding concern in determining supervision during a field trip, and what field trip control measures are needed.
2. Non-teacher chaperones are expected to assist in maintaining appropriate student conduct, and to accept responsibility under the direct supervision of the teacher.
3. Only chaperones and students are allowed to participate in the field trips. Parents and other adults are not to be accompanied by young family members requiring substantial supervision since the chaperones' full attention should be given to the students participating in the field trip.
4. Specific students may be assigned to a specific chaperone, to ensure the students' safety and a positive off-site learning experience.
5. Chaperones other than professional staff and student teachers, must be at least 18 years old. This requirement applies to brothers, sisters, and other relatives of student participants who are serving as chaperones.

### **PERMISSION SLIPS**

Signed permission slips from the parents, with emergency information, will

be necessary in advance of each trip. **\*\*If a student does not have a signed permission slip and a parent cannot be contacted, to obtain a signed permission slip, the student will remain at school.**

#### **TRANSPORTATION**

Verde Community Church vans will be used to transport students on field trips. Teachers will be responsible for obtaining drivers and chaperones as needed. Only students, faculty, approved drivers, and chaperones will be allowed on trips due to insurance requirements.

## **ADDITIONAL TOPICS**

#### **SPECIAL ACTIVITIES AND ANNOUNCEMENTS**

A monthly calendar and special memos will be sent home with the students, announcing future school events. These activities may include Open House, parties, picnics, field trips, sports events, parent meetings, and special programs. Parents are also encouraged to frequently check the official school website [www.myvccademy.com](http://www.myvccademy.com).

#### **BICYCLES**

#### **FIRE AND EMERGENCY DRILLS**

Fire and emergency drills will be scheduled once a month. Each classroom will be under the supervision of a teacher or staff member. A fire drill evacuation sheet is posted in each classroom. Everyone in the building at the time of the drill is expected to participate and to leave the building as quickly, quietly, and as orderly as possible, to proceed single file to the designated areas, and to remain until the signal is given to return.

All students must be accounted for by each teacher who must report fire and emergency drill attendance to the Administrator. The drill will not be concluded until all children are accounted for.

#### **HOLIDAY OBSERVANCE**

The Biblical meaning of Christian holidays shall be taught, promoted, and practiced. For example: **Christmas** shall be celebrated as the birthday of the Savior, Jesus Christ; and the **Easter** season celebrated as commemorating His death, burial, and resurrection. School personnel are asked to devote time and effort to teaching the truths of Christian holidays, rather than

dispelling other traditions related to these holidays which may be practiced in the home.

**Halloween** is not observed, and no decorations and symbols of this holiday will be used in the classroom. **St. Valentine's Day** is observed without the use of symbols of cupid because of the non-Christian practices related to this character of Roman mythology.

Other holidays are regularly observed and the true reasons for such observances taught (i.e. Labor Day, Thanksgiving, President's day, Memorial Day, etc.).

### **HOMEWORK**

Homework is an integral part of learning. Each teacher will assign homework to help the student learn and be prepared for the next day's instruction. Parents have the responsibility to provide a time and place where the student can best concentrate upon the assignment. Parents may assist, but should not do the work for the student. Study should become a rewarding, pleasurable experience.

Students having behavioral difficulty will be placed on probation for 30 days or more.

**RETENTION**

At times, it is necessary to consider retaining a student in his/her present grade for an additional year. Parents are included in this decision long before the close of a school year. Retention is not used as a disciplinary tool but can be considered when it appears necessary for proper physical and/or academic development of the student. Light's Retention Form will be used as a baseline scale.

**TELEPHONE**

The school's telephone lines are for business purposes. Students may use the school phone for emergencies and with permission. Calls regarding student illnesses will be handled in the office. Cell phones are not permitted to be used during school hours without specific permission from the student's classroom teacher or the school Administrator.

If the adult is not on the approved list the parent needs to either in person or with a signed note give permission for that adult to pick up their child, this permission is for only that current day unless specified by the parent. At 11:30am release we prefer everyone be picked up promptly. #### **ACTIVE SUPERVISION**

All preschool staff at VCA will be responsible for supervising the students while they are in our care from 7:30-3:15 respectfully. Active supervision for our preschool will include focused attention and intentional observation of students at all times. Staff position themselves in our designated zones so that they can observe all of the children: watching, counting, and listening at all times. During transitions, staff account for all students with name-to-face recognition by visually identifying each child. They also use their knowledge of each child's development and abilities to anticipate what they will do, then get involved and redirect them when necessary. This constant vigilance helps students learn safely at VCA.

#### **DISCIPLINE GUIDELINES/METHODS**

VCA preschool teachers treat students with grace and respect. Our staff work with students to train appropriate behaviors in all situations. Students who struggle following rules and procedures will have opportunities to; be encouraged to follow procedures, practice following procedures, and brainstorm positive behaviors. Students who continue to struggle will have the opportunity to counsel with the lead preschool Administrator. Parents will be consulted as needed and a team-based approach sought. VCA will use a Behavior Management plan to track discipline and progressively use the plan with the student accordingly. Students who continue to struggle after all options have been sought may be asked to leave VCA until such a time as emotions, behavior, and/or maturity develop to support positive behavior habits. Students are expected to abide by following rules, policies, and procedures to help all students stay healthy and safe, both mentally and physically.

#### **TECHNOLOGY USE POLICY**

VCA Preschool uses technology in the forms of projectors, CD players, and mp3's. These are used by teachers at certain times of the day to supplement different curriculums. These technologies are used in the areas of Music and Movement, Science, Social Studies, Bible, Phonics, Language, Chapel, and Music class. Each of these occurrences ranges from 2-20 minutes in length and are directly correlated with the curriculum. Each session of use with the projector (except Music class) has a short discussion period after to help our students gain the most from the learning experience. A detailed plan is posted in each classroom and in our weekly lesson plans when it is used.

### **CURRICULUM/ASSESSMENT/TRANSITION PROCEDURES**

#### **HOME TO PROGRAM/OPEN HOUSE**

It is our policy at Verde Christian Academy (VCA) for the parents to fill out an Enrollment Application and tour our school. An Open House will be hosted before school starts. During this time

the child will be introduced to the classroom, teacher and the curriculum. The child, with their families, get to spend time exploring the classroom.

### **EDUCATIONAL PHILOSOPHY**

At Verde Christian Academy Preschool we believe that children learn best in a environment that is safe and loving, where they can initiate meaningful activities at their own pace supported by their teachers, all in an atmosphere of play. This process of development and learning influences the whole child.

#### *Spiritual Development*

Increasing a child's understanding of God and His love for them. In simple, age appropriate ways through Bible stories, prayer, the Christian example of the teachers and by teaching character traits (kindness, obedience, forgiveness) this is a daily part of our curriculum.

#### *Social/Emotional Development*

Guide and encourage children through activities and situations that help develop confidence, self-help skills and better understanding of self, family and culture.

#### *Cognitive Development*

Working with each individual child's strengths and need, provide activities that promote a life long love of learning, further encouraging creativity, curiosity, and their emerging skills in literacy, language, investigation and math.

#### *Physical Development*

Provide activities that help develop both large (legs, arms, back) and small (fingers, eyes) muscle control. These physical activities build neurological pathways in the brain that are necessary before the child can successfully proceed to the higher levels of formal education.

### **CURRICULUM AND CHILD ASSESSMENT PROCEDURES**

Verde Christian Academy Preschool uses the three year and four year old Curriculum Objective Checklist, Preschool-Plan-It Developmental Checklist, and Learning and Teaching with Preschoolers Student Assessment Data Sheet, and other informal instruments to assess ongoing development in our preschool students. We also provide ongoing progress monitoring, which is a continuous assessment process of gathering evidence of developmental process and learning of students. The curriculum goals and the objectives guide teachers' ongoing assessment of children's progress, along with the Early Childhood AZ standards. Developmental screenings and referrals for diagnostic assessment are used when needed to identify children who may need instruction that is more specialized. In assessing students, teachers are sensitive to each family's values, culture and home language. Progress reports will be given **three times** a year, in September, February and May.

### **PARENT TEACHER CONFERENCE**

It is the policy of VCA that parent teacher conferences are offered **two times** a year. In addition, when teachers send progress reports mid-quarter and will be available upon request.

#### **SCREENING AND REFERRAL POLICY**

It is the policy of VCA that when a child demonstrates learning or behavioral difficulties, it is up to the classroom teacher to closely observe and document the child's behavior. In order to support the child who is having difficulties, the teacher will discuss with Smart Support Consultant to adapt the activities and environment to meet the child's distinct learning or behavioral needs. The teacher will also enlist the help of the child's parents as they are the primary source of information concerning the child. If the child is demonstrating learning or behavioral difficulties, the teacher will discuss their recommendations with the administration and or designated specialist. If the behavior persists after curriculum adjustments have been made the teacher may refer parents to Child Find for services that will provide screening for the child to determine if the child will need special services.

#### **TRANSITIONING PROGRAM**

The majority of children here at VCA remain at VCA and attend Kindergarten. It is our policy at VCA that near the end of the school year the children attend the classroom that they will be moving into the following year, with that teacher present. Toward the end of the school year the pre-4 teacher schedules with the Kindergarten teacher and students several activities, to help the children transition to the next grade. After Academy will attend elementary chapel to help preschoolers transition to elementary chapel. This will take place the last quarter of the school year.

Students will wash their hands after using the toilet, playing outdoors, playing in sand or water, handling animals, sneezing/coughing into their hands or blowing their nose, and eating.

The four steps to proper handwashing are as follows:

1. Wet your hands under running water
2. Scrub your hands well with soap. Remember to scrub between your finger, to wash both the front and back of your hands, and to clean under your finger nails. Washing your hands should take about 15 to 20 seconds.
3. Rinse your hands under running water.
4. Dry your hands with a clean towel

### **HEALTH SNACKS**

We strongly encourage healthy food choices. This extends to daily snack, where we ask for 3 food groups for each snack time. Parents are asked to provide this on a schedule and this occurs about once a month. A monthly snack calendar is given out to parents for each classroom. A guide for the snacks is also provided at the beginning of the school year.

### **GARDENING**

We are committed to teaching about healthy food. Teaching about healthy food can help children form healthy eating habits. Through our Farm to ECE program, we will offer fruits and vegetables 3 times per week or more. We provide children education about food and where it comes from. Including tasting and cooking activities. Keep a garden that supports children's learning and grows fruits and/or vegetables a few times a year that we can snack on. Families are invited to help us plan and maintain the garden during our planting /growing times. We also provide gardening time to preschool children two times per week or more during our planting/growing times. Children will help plant, care for, harvest and learn from the garden.

### **WATER**

Help keep your child hydrated by drinking water as much as possible. We ask that you provide a water bottle for their classroom. We ask that it be brought to

school every Monday and taken home on Thursday each week to be cleaned.

#### **SUN PROTECTION**

In our state it is recommended that children have sunscreen applied daily. It needs to be applied before school as we don't offer that at school.

#### **BREASTFEEDING**

We have a rocking chair provided in Pre-3 room, for Mom's to breastfeed.
